Diversity

We believe that our company and communities benefit when we provide equal opportunities for diverse suppliers to compete for our business. By including qualified diverse suppliers in our purchasing process for products and services that meet our requirements, we will strengthen our business position and that of our suppliers and customers.

We actively seek suppliers that are recognized by certifying entities and government agencies. These suppliers include small businesses and businesses that are owned by veterans, minorities, members of the lesbian, gay, bisexual, transgender and queer (LGBTQ) community, people with disabilities and women.

Click the button below to choose the diversity classifications that apply to your business.

Payment Information

Information on this page is used to determine how and where you will receive payment. PPG's preferred payment method is Direct Deposit (ACH), and, therefore, banking information is required. Any other payment method should be approved in advance by PPG before completing your registration. Otherwise, the registration may be returned, which will delay the setup process. Please be sure to enter an Electronic Remittance Email if you wish to receive email notifications regarding payments including invoice, date, and amount.

If you need to change existing banking information, please add new payment information and mark the old information inactive instead of overwriting the existing information. Please do not mark duplicate payment information or payment information that appears to have the "wrong" payment type as inactive without discussing with your PPG Procurement contact first.
