### Payment Information

Information on this page is used to determine how and where you will receive payment. PPG's preferred payment method is Direct Deposit (ACH), and, therefore, banking information is required. Any other payment method should be approved in advance by PPG before completing your registration. Otherwise, the registration may be returned, which will delay the setup process. Please be sure to enter an Electronic Remittance Email if you wish to receive email notifications regarding payments including invoice, date, and amount.

If you need to change existing banking information, please add new payment information and mark the old information inactive instead of overwriting the existing information. Please do not mark duplicate payment information or payment information that appears to have the "wrong" payment type as inactive without discussing with your PPG Procurement contact first. These provide specific functionality within PPG systems, and deactivating them could prevent or delay payments.

**Required Information**  
At least one payment type is required to complete this section.
